This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the c-lebrated Holland Profes or, Burrhave. Because of the great success in most of the European States, its introduction into the United States was introded more e-penalty for those of our fatherland scattered here and there over the face of this migaty containy. Meeting with great success among them, I now offer it to the American public, snowing that its truly wonderful meticinal virious must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous par of ardent spirits, or niher forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and q tickwhing every nerve, raising up the drooping spirit, and, in fact, infining new health and wight in the system. CINCINNATI ADVERTISEMENTS. COUNTERFEIT CAUTION TO PARTIES PURCHASING S. N. PIKE'S MAGNOLIA WHISKY

CINCINNATI, OHIO. THE UNDERSIGNED, wanufacturer and a legal proprietor of the above brand of WHISKY would respectfully inform his customers and pur charers of this culebrated trand, that there has appeared in the Charleston and other Southern markets a counterful of the above Whisky, being a poisonous in:itation, branded similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Lincinusti, Ohio, and other names similar to S. N. rike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and descive. those who would jurchase the genu ne brand. I make this statement to put parties on their goard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed using my name with a sight a terration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caution the public, protect those who are liable to be tecsived, and prevent the evil results attending the use of this poisonous imitation. I slio hereby caution the counterfelters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnelia Whisky is distilled from the best qualitaties of Rye and Corp. and is wearented from from any delicities of the party of the counterfelters. Corn, and is warranted free from any deleterious or obnex loss compount, it being a pure and healthy beverage. Many parties have recently commenced making a brand! Whisely Called Magnolla, but they are an immitation of my trade brand, so be careful at d get the only genuine Magnolia Whisky made in the United States, and distilled only by me.
